Fundraising target
reached for 2021!

Become a volunteer

We commit to provide all our animals a safe and loving home.

At Loved Pets Animal Rescue, we believe all animals deserve a chance to find a loving forever home.

We provide initial veterinary care to rescued animals, then work to match each animal with a human family to love them and keep them safe forever.

All animals are screened for diseases upon arraival, washed and groomed, and then added to our website for adoptive families to see.

All potential adoptive families are also screened for adoption history, household lifestyle, and commitment to providing a safe and loving home.

Our mission

“We believe all animals deserve a chance to find a loving forever home.”

We can always use volunteers to help keep our shelter open! Volunteers are needed to bathe and groom animals, play with pets to help them socialize and keep them happy, clean kennels and screening rooms, and help with administrative tasks in the office.

To become a volunteer you'll need to complete an application form by emailing volunteer@welovepets.com. We'll call you for a brief phone interview, and you'll need to attend a volunteer training session on the 1st Saturday of every month.

Being a volunteer at Loved Pets Animal Rescue is rewarding, fun as well as providing essential help for our animals
